

Backroom deals and lizard reels
Take time for tea
And floating on your reef
Talking forever like never
Dancing through the maze
Choreographed insynchronicity
Mandalic caverns to navigate
To the other side = peaceful love
Single places
And hot spot traces
Liking insanely
Trying to rearrange
Cellular ingrain
Lemon sheet stains
And right on rock train
In the sweet summertime
Sunshine
 Moonshine
 Daywine
 Your time
 Talking 'bout rainshine
Whiskey train and no name
Celebrate
Comrades & lovers
What could be better?
