

## **Different Levels of Blueberry Bliss**

I reached the  
height  
of blueberry bliss  
One cold December day.

Bright blue berries,  
Swirled in delight  
Hit my palette, my senses  
My HEART!  
(Hooray!)

Heart spinning  
Love streaming  
Blueberry bliss  
Pumpkin almond delight, salty dates  
And Maine blues  
Wrapped up in one RAW VEGAN pie.

Happiness radiating in waves and  
Pools of joy  
Under my eyelids and in my cheeks  
Cold blue dazzle  
on my tongue.
